

corporate partner program

Our goal is to eliminate repetitive solicitation of funds necessary to carry out the YW mission and vital community programs - many of which directly benefit your company's customers and employees. By participating in the corporate partner program, your business is exposed to the YW's base of passionate supporters in key demographic areas via email, social media, and direct mail. Your business is provided intentional visibility to these potential customers and brand ambassadors.

Your company benefits from **CORPORATE PARTNERSHIP** in so many ways

BUILD A STRONG COMMUNITY with an organization having a history of supporting women and families since 1943.

ENGAGE YOUR EMPLOYEES through volunteer opportunities, professional development training, and community events.

CONTRIBUTION RECOGNITION Corporate Partners are recognized regularly throughout YWCA's marketing.

EMPOWER THE NEXT GENERATION by investing in programs like TechGYRLS free after-school STEM education, 3-STAR rated sliding scale childcare, and Moms-R-Us Teen Pregnancy Education.
