

“The ultimate measure of a man is not where he stands in moments of comfort and convenience, but where he stands at times of challenge and controversy.”

“I came to the conclusion that there is an existential moment in your life when you must decide to speak for yourself; nobody else can speak for you.”

In celebration of the life and legacy of Martin Luther King, Jr., we have put together this reading list of books, audio recordings and films that examine the indelible impact that Dr. King had on American society.
